Transferring Merits

Wherever the Buddha's teachings have flourished, either in cities or country sides, people would gain inconceivable benefits. The land and people would be enveloped in peace. The sun and moon will shine clear and bright. Wind and rain would appear accordingly and there will be no disasters. Nations would be prosperous and there would be no use for soldiers or weapons. People would abide by morality and accord with laws. They would be courteous and humble, and everyone would be content with injustices. There would be no thefts or violence. The strong would not dominate the weak and everyone would get their fair share. May all beings walk the path of virtue and wisdom till suffering end in Nibbāna."
